Get to know us! With the help of our discover Thailand package you can make use of a wonderful holiday to get answers to all your questions around real estate in Thailand

Discover Thailand includes:

Day 1:

We pick you up at the airport in BKK and take you to a luxury hotel within the heart of Bangkok. We get to know you at dinner at a renown Thai restaurant.

Day2:

Trip to Hua Hin. You check into one of our beachfront apartments near Beachcafe Restaurant. The package includes one meal per person per day (lunch or dinner). You choose starter/maincourse/dessert and one softdrink from our international menu.

Day3:

In the morning we offer a 2 hour seminar on real estate in Hua Hin. We show you major problems that regularly occur, when foreigners without Thailand experience buy or rent property on there own. Our advice is free and no strings are attached.

Day 4:

During the day we take you on an excursion. When the night comes, we invite you to a cocktailparty at Beachcafe and will introduce you to people, who already bought or rented property in Thailand. This event proved particularly fruitful in the past as you will talk to individuals, who have already experience with real estate and who are not attached to a sales agent.

Day 5:

In the morning you will have the opportunity to learn about the legal framework of real estate business in Thailand. We will show you the most frequently used options. Later the day you will enjoy the beach of Hua Hin.

Day6:

In the morning we talk about health insurance and assisted living in Thailand. Later the day we take you back to Bangkok.

Day 7:
